Skating Etiquette Rules

All members will receive a copy of the club's Skating Etiquette Rules to help our skaters practice safely and effectively. If you have any questions about these rules, feel free to contact a board member. We welcome your input.

Volunteers Make all the Difference!

How can you, as a skater, club member, or parent, improve BFSC? You can volunteer your time and services at test sessions, parties, or our annual Chesapeake Open competition. The Chesapeake Open is a critical fundraiser for us and enables us to pay for our practice ice throughout the year.

Please also be ambassadors for our club by encouraging your skating friends to join. If you see a new face during a club session, please introduce yourself and welcome the skater to our club.

SKATER CODE OF CONDUCT

As a member of the Baltimore Figure Skating Club, all skaters must adhere to this Code of Conduct at all times.

General Guidelines:

The Baltimore Figure Skating Club is committed to creating a safe and positive environment for members' physical, emotional and social development and ensuring that it promotes an environment free of misconduct. This Skater Code of Conduct has been established to ensure the safety of all members using our ice to ensure quality practice time for all home club, associate, non-members and guests who purchase ice from the Club and who participate in all Club-related activities.

All skaters, regardless of whether they hold home Club, non-member or guest status must follow and uphold the tenets in this Skater Code of Conduct regarding behavior on and off the ice. All Club members are expected to exhibit good sportsmanship and be courteous toward their fellow skaters, coaches, parents of skaters, U.S. Figure Skating officials and guests.

Our Club is committed to promoting a positive and friendly environment for all skaters. Remember "The Golden Rule"—treat other people like you want to be treated — with respect.

Ice Etiquette and Safety:

1. While in lesson or practice, it is the skater's responsibility to always be conscientious and aware of other skaters around them.
2. Skaters must skate with the flow of other skaters and familiarize themselves with the most commonly used areas for jumps and spins.
3. The only time a skater has the SOLE right of way is when they are skating their program to music. When you hear another member's music, please extend that person the courtesy and move out of their path momentarily. This only takes a moment and you will enjoy the same courtesy while you are performing your program.
4. Advanced skaters are expected to exhibit patience toward beginner members of the Club. Remember, you were an inexperienced skater once, and it takes time for our future generation to advance to the point where they are completely comfortable skating with all levels of skaters.

Unsafe or Discourteous Behavior:

Unsafe or discourteous behavior of any kind will not be tolerated.

I have read this Code of Conduct, and agree to uphold all the guidelines and tenets of this document. In addition, I have received and read the Club's Athlete Protection and Reporting Policies and I agree to abide by those policies. I have also read the Club's Ice Rules (which are posted on the Club website), and I agree to abide by those rules.
