

Baltimore Figure Skating Club's Aspire Program

ASPIRE is the next step after Learn to Skate and is designed for beginner figure skaters who have learned the basics of skating at Learn to Skate class and are ready for the next thing! It's also for skaters who have finished the basic skills at Learn to Skate and are ready to work on Freestyle or Ice Dancing and more complex skills.

While the focus of ASPIRE continues to be FUN, increased emphasis is placed on learning advanced figure skating skills including basic skill mastery, skill advancement, and the introduction of choreography, edges, freestyle (jumps & spins), dance, and theatre! ASPIRE also includes the opportunity to participate in our annual holiday and spring shows!

10-week session Fall Series
